Integrated quality management system, health protection and occupational safety Policy

The Individual Enterprise «Arassa Sovda ve Gurlushyk» (hereinafter IE) was founded in 2018. IE provides the following types of work and services, the main customers of which are Turkmen enterprises of various forms of ownership and foreign companies:

- Construction of civil and industrial facilities;
- Wholesale and retail trade in consumer goods.

To carry out the above works and services, IE has the necessary licenses, certificates and permits. All the works and services provided meet the requirements and expectations of stakeholders.

IE's mission: Quality that meets all international standards! The best price! Timely delivery of goods, works and services!

Strategic goals of IE:

- Further strengthening of the economic position of sole proprietors;
- Development of new and additional types of construction works and services for sole proprietors;
- Participation in the implementation of large state and socially significant projects;
- Attraction of professionals and selection of qualified personnel for further development of sole proprietors;
- Increase in jobs;
- Growth of sales volumes and the market for goods, works and services;
- Creation and improvement of the image, fame of the sole proprietor, his goods, works and services.

To achieve these goals, IE has an integrated management system in accordance with the requirements of the international standards ISO 9001:2015 and ISO 45001:2018, the scope of which is «**Construction of civil facilities. Sale of industrial goods**».

In order to comply with the above, the Management of IE undertakes the following obligations:

- Comply with the requirements of legislation, regulatory legal acts of Turkmenistan related to the activities of sole proprietors;
- Continuously improve the existing integrated management system;
- Regularly improve the qualifications of the company's employees;
- Conduct marketing research and continuous analysis of customer satisfaction;
- Provide safe and healthy working conditions to prevent work-related injuries and deterioration of health;
- Eliminate hazards and reduce risks in the field of occupational health and safety;
- Eliminate hazards and reduce environmental safety risks;
- Consult with employees and their representatives, as well as ensure their participation in health protection, occupational safety and environmental protection activities.

The management of IE undertakes to comply with this policy, bring it to the attention of the company's employees and update it regularly.
